IMPORTANT INFORMATION REGARDING ENROLLMENT AND CHANGES

Administrative Fee:

The cost to administer this program is paid for by each employee on a before tax basis. The monthly administrative fee is \$4.50 – for HCSA alone or HCSA and the Dependent Care Assistance Program (DCAP) combined.

HCSA Annual Maximum:

Beginning plan year January 1, 2004 to December 31, 2004, employees may elect an annual minimum of \$250.00 up to a maximum of \$1,500.

Eligibility:

Active state employees who are **eligible** for health benefits with the GIC are eligible to participate in the HCSA. Enrollment in a GIC benefit plan is not required. New employee coverage begins on the first day of the month following 60 calendar days from the first date of employment or two calendar months, whichever comes first. Claims incurred after your effective date are eligible for reimbursement. Employees must work at least 18.75 hours per 37.5 hour work week or 20 hours per 40 hour work week to be eligible. You may claim health care expenses under the HCSA plan for you, your spouse and your eligible tax dependents.

Change in Status:

You may change your contribution election at the beginning of each plan year. You may only change your election during the plan year if you can demonstrate a "change in status." Only the following events will be considered a valid change in status under Internal Revenue Service rules:

- Change in legal marital status;
- Change in number of dependents;
- Change in employment status;
- Change in work schedule which changes your eligibility for the program;
- Dependent satisfies or ceases to satisfy eligibility requirements;
- Change of residence or work-site; and
- Judgment, decree or order pertaining to child or spouse.

If you would like to terminate your election as a result of a valid status change, enter a zero dollar amount in the Change in Status section of the enrollment form. Payroll Coordinators must obtain the appropriate documents for a Change in Status, e.g. marriage or birth certificate. If you leave the payroll due to termination of employment or leave without pay and stop contributing to your account, your eligibility in the HCSA plan will be terminated. You will be able to submit claims for expenses that occur on or before your last paycheck deduction. If you return to the payroll during the Plan Year, see your Payroll Coordinator to re-enroll and submit a change in status form. If you terminate employment or go on an unpaid leave of absence, you may be eligible for COBRA. Please see your Payroll Coordinator for your COBRA application.

Signature and Form Submission:

The employee and Payroll Coordinator must sign this form. All forms must be submitted to the Payroll Coordinator at your work site. The Payroll Coordinator must send a copy of the form to Sentinel Benefits. Failure to do so will result in an employee not receiving reimbursement for an eligible health care expense.

Eligible Expenses under a Health Care Spending Account Plan:

Eligible expenses under a HCSA are defined as those that are medically necessary, prescribed by a licensed practitioner and are not reimbursed under another program. A guideline for eligible expenses can be found in Treasury Publication 502 (Medical and Dental Expenses); it is available on the Internet at www.MyFSA.com under Publications and Forms. Important: Keep in mind that expenses such as insurance premiums may be deductible on Schedule A tax return but are not eligible for reimbursement through a HCSA. Some examples of eligible expenses are: Acupuncture, Ambulance, Artificial Limbs, Contact Lenses, Deductibles, Dental Fees, Health & Rx Co-pays, Hearing Aids, Over the Counter (OTC) Drugs (nonprescription nutritional supplements excluded), Orthodontic Treatment, Medically Necessary Smoking Cessation Programs/Treatments, Vaccinations, and more.

Ineligible Expenses under a Health Care Spending Account Plan:

Certain health care expenses are not eligible for reimbursement from your HCSA, some of which are: Cosmetic surgery, Cosmetic procedures, Fitness programs, Hair transplants, Health club memberships, Insurance premiums, and more.
